

RESOLUTION 2014-11

A RESOLUTION ADOPTING THE 2012 MADISON COUNTY MULTIJURISDICTIONAL HAZARD MITIGATION 5 YEAR PLAN UPDATES. (Rev. 8/2013)

WHEREAS, The Madison County Emergency Management Agency (MCEMA) desires to be compliant with the Disaster Mitigation Act of 200 (DMA2K) and 44 CFR Section 201.6(D)(3). Said Act requires that a Hazard Mitigation Plan (HMP) meeting program criteria be developed in order that the participating Madison County communities and unincorporated areas of Madison County will be eligible for future pre-disaster mitigation program funds (i.e. Hazard Mitigation Gran Program, Flood Mitigation Assistance Program, etc.).

FURTHER, the mitigation planning regulation at 44 CFR Section 201.6(D)(3) states:

A local jurisdiction must review and revise its Hazard Mitigation Plan to reflect changes in development, progress in local mitigation efforts, and changes in priorities, and resubmit it for approval within five (5) years in order to continue to be eligible for mitigation project grant funding.

WHEREAS, The MCEMA established the Madison County Hazard Mitigation Committee and it has, through an organized planning process, identified local problems and mitigation activities to help reduce hazards, damages, and loss of life during a natural hazard event. Public meetings were held and a Countywide Multi-jurisdictional Hazard Mitigation updated Pan was prepared and submitted to the Ohio Emergency Management Agency (OEMA) for review and comments. Said Plan has been completed per the OEMA recommendations. Said Plan is on file at the office of the MCEMA.

WHEREAS, by adopted Resolution, the MCSEMA has entered into an agreement, in the manner provided by law, under the Ohio Revised Code, as amended, and has the power to coordinate and unify the comprehensive Emergency Management activities of the participants, thereof, including the various municipal corporations and unincorporated areas of Madison County, Ohio.

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE VILLAGE OF MT. STERLING, STATE OF OHIO
